Re: In the Matter of: Nomination for Universal Service Administrative Company Board of Directors, CC Docket Nos. 97-21 and 96-45

Dear Chairman Genachowski:

As members of the Education and Libraries Network Coalition (EdLiNC), we are writing to nominate Ms. Anne Campbell to the Universal Service Administrative Company (USAC) Board of Directors. During her career as a librarian and tenure on the USAC Board, Ms. Campbell has developed the knowledge and experience necessary to represent the needs of libraries and to successfully oversee administration of the schools and libraries universal service support mechanism (E-rate program).

Ms. Campbell has long been a strong advocate for the library community as National City Public Library director, as library consultant helping develop library services for diverse communities, and at the national level, as a USAC Board member and chair of the schools and libraries committee. During her tenure as chair, her work has been invaluable to those the members of EdLiNC represent. EdLiNC is most appreciative of Ms. Campbell's continued commitment to working on behalf of the issues facing our schools and the library community.

EdLiNC was formed in 1995 to represent the viewpoint of public and private schools and libraries in the Federal Communications Commission's (FCC's) proceedings dealing with the implementation of the Telecommunications Act of 1996. The Coalition seeks to expand the use of educational technologies in schools and libraries by making sure these entities receive affordable rates guaranteed to them in the Universal Service Provisions of the Telecommunications Act.

EdLiNC supports the reappointment of Ms. Campbell to the USAC Board of Directors to provide continued leadership and continuity to ensure the continued successful management of the Universal Service Fund and E-rate program.

A copy of Ms. Campbell's professional biography is attached. Thank you for your consideration.
